

HAFIZ RAMLI

Civil Engineer

No. 22, Jalan Setia Indah, 40170 Shah Alam, Selangor | hafiz.ramli@civiltech.my | +60 13 456 7890 | hafizramli-civil

PROFESSIONAL SUMMARY

Experienced civil engineer with a strong background in infrastructure projects and site supervision. Demonstrated expertise in enhancing project efficiency and sustainability through innovative solutions and effective team collaboration.

PROFESSIONAL EXPERIENCE

Civil Engineer

Cipta Bina Sdn Bhd | 01/01/2023 – 31/12/2025 | Kuala Lumpur

- Led site operations for a multi-storey commercial project, achieving a 15% reduction in construction time through effective resource management and strategic scheduling.
- Coordinated a team of 10 subcontractors, enhancing collaboration and communication, which resulted in a 20% increase in project efficiency and adherence to safety standards.
- Ensured timely project completion within budget constraints, delivering the project 2 weeks ahead of schedule, which contributed to a 10% increase in client satisfaction ratings.

Site Engineer

Perunding Teguh | 01/01/2021 – 31/12/2023 | Selangor

- Supervised structural works for a residential housing project, ensuring compliance with safety regulations and quality standards, resulting in a 20% reduction in rework and a 15% increase in project efficiency.
- Managed site inspections, coordinating with contractors and stakeholders to identify and resolve issues promptly, which led to a 30% decrease in project delays and enhanced overall project delivery timelines.
- Implemented quality control measures during construction phases, achieving a 95% pass rate on inspections and significantly improving client satisfaction ratings for the residential housing project.

Junior Engineer

Dinamik Consult | 01/01/2019 – 31/12/2021 | Johor Bahru

- Assisted in civil design calculations, contributing to a 15% reduction in project costs through optimized material selection and efficient design methodologies.
- Conducted detailed project costing analyses, ensuring budget adherence and identifying cost-saving opportunities that led to a 10% increase in overall project profitability.
- Prepared comprehensive construction drawings that enhanced project clarity, resulting in a 20% decrease in construction delays and improved stakeholder communication.

EDUCATION

Universiti Teknologi Malaysia (UTM)

Bachelor of Civil Engineering

SMK Taman Bunga Raya

SPM

SKILLS

Technical Skills:

AutoCAD SAP2000 Microsoft Project

Soft Skills:

Leadership Team Collaboration
Problem Solving

CERTIFICATIONS

CIDB Green Card, 2020

Autodesk Certified Professional, 2022

LANGUAGES

Bahasa Malaysia: Professional

English: Professional

ACHIEVEMENTS

- Spearheaded a cost-saving initiative that reduced material waste by 18%, saving the company RM120,000 annually through improved inventory forecasting and supplier negotiations.
- Designed and implemented a project tracking dashboard that increased team productivity by 25% and shortened project delivery timelines by two weeks on average.
- Led a cross-functional team of 8 to deliver a civil infrastructure project 10% under budget and ahead of schedule, earning recognition from senior management for outstanding execution.

EXTRACURRICULAR ACTIVITIES

- Vice President, UTM Civil Engineering Society (01/01/2018 – 31/12/2019)
